*School approved backpacks will be sold in the front office.

*Students will need the following items to carry at school: Three-ring binder with paper, pen or pencil, and a library book. School books are kept in the classroom along with art supplies.

*Teachers may require additional supplies such as paper and pencils that will need to be replenished. Some items specific to an assignment may be needed throughout the year. Students will be responsible for these supplies.

*Jackets will be kept on the back of the student's chair. All jackets worn must be solid black in color and may not have a hood.

*Students should not carry: Sharpies, permanent markers, mechanical pencils, aerosol sprays or white out.

Note: If purchasing the items on the supply list is a financial hardship for your family, please contact Ms. Kolar with a list of the items you will not be able to provide and ASTEC will work to get these items sponsored.

Thank You,
